

## PRIVACY NOTICE

Vector Science & Therapeutics Inc. ("**Vector**" or "**we**") values your privacy and aims to protect your personal information. This Privacy Notice explains why we collect your personal information and how we use it when you use the Vector website, vectorscience.co, (the "**Website**"). Please read it carefully. By using the Website, you accept our practices as described here.

We may update this Privacy Notice from time to time. Any changes will be posted on the Website, and the effective date will be updated accordingly. We encourage you to review this Privacy Notice periodically to stay informed about how we are handling your personal information.

### 1. How we collect and use personal information

We may collect personal information that is necessary for the purposes listed below.

When you send us a message on the 'Contact Us' page or interact with the live chat feature, we may collect your name, email address, and the content of your message, which we may use to communicate with you, including to send you information about products, services, promotions, and updates, and to respond to your inquiries.

When you visit the Website, we may automatically collect technical information to help us improve and maintain website functionality and security, monitor website performance, understand the number and behavior of visitors to the Website, and serve targeted online advertisements. This involves collecting and using personal information such as device IP address, access times, browser type and settings, internet service provider, and information related to your operating system; and may involve the use of third-party analytics service providers.

#### **Web-Based Tools**

Vector uses cookies and other tracking technologies, such as pixels and web beacons (together "**Web-Based Tools**"), on the Website, as follows:

- **Essential Web-Based Tools:** These are necessary for certain features of the Website. Essential Web-Based Tools help keep the Website secure, including by detecting and preventing fraud, and help us understand how you use the Website. You cannot opt-out of the use of Essential Web-Based Tools, but you can disable cookies in your browser. If you do this, parts of the Website may not work properly.
- **Non-Essential Web-Based Tools:** We use Non-Essential Web-Based Tools for online advertising, such as showing ads based on your interests. You can opt-out of targeted advertising by visiting the [Network Advertising Initiative](#) or the [Digital Advertising Association of Canada](#) websites.

We only keep personal information for the time needed to fulfill the purposes described in this Privacy Notice, or as necessary to comply with legal or regulatory requirements.

### 2. Sharing Personal Information

We may share any personal information that we collect through the Website with web hosting service providers that help us to maintain, host and deliver the Website and its features.

Some of our service providers may be outside of Canada or Quebec. In that case, personal information will be subject to the laws of their jurisdiction, which may differ from the those in Canada and Quebec. In that event, and subject to the laws in place in those jurisdictions, we ensure that protections are in place to maintain equivalent data protection standards.

We may also disclose your personal information to protect the rights, property and interests of Vector including intellectual property rights, to manage, defend or settle any actual or potential loss, and as otherwise allowed or required by law, such as to respond to court orders and subpoenas, prevent fraud, and investigate suspicious activity.

### 3. Your Rights

You have the following rights regarding your personal information:

- **Right of access:** You can request information about how we process your personal information and may request a copy of it.
- **Right of correction:** You can ask that we correct inaccurate or incomplete personal information.
- **Right to withdraw consent:** If you previously gave us consent to collect, use or disclose your personal information, you can withdraw that consent, subject to legal requirements. Doing so may affect your ability to access or use the Website or its features.
- **Right to deletion** (for Quebec residents): Under certain circumstances, you can ask that we delete your personal information.
- **Right to be forgotten** (for Quebec residents): Under certain circumstances, you can ask that we stop sharing your personal information or remove links to your personal information.
- **Right to data portability** (for Quebec residents): Under certain circumstances, you can ask that we provide your computerized personal information to you or a third party in a structured and commonly used format.

Please contact us at [info@vectorscience.co](mailto:info@vectorscience.co) to exercise any of these rights or if you have any questions about your rights. We may verify your identity before responding to your request.

### 4. Updating Personal Information

We aim to ensure your personal information is accurate, but it is important that you notify us if anything changes at [info@vectorscience.co](mailto:info@vectorscience.co).

### 5. Children's Privacy

We do not knowingly collect personal information from individuals under 14 years old without verifiable parental/guardian consent.
